

My vision for Richmond

housing affordability

Everyone has a decent place called home.

Chinese culture

People realize the value and modern significance of Chinese culture, more people love Chinese culture.

social integration

New immigrants recognize the fundamental value of new land, keep the tradition and respect the difference.

community harmony

Build a muslim-friendly, Japanese-friendly, Indian-friendly, Pilipino-friendly community

There is no islamphobia, there is no racial discrimination.

social innovation

A safe, civilized, noble community

economic prosperity

A trade city, agricultural city, garden city, tourist city, startup city, capital city, talent city, knowledge city, opportunity city, art city.
